# DECEMBER

## Greg Searle Challenge (5,000m)

Re-named in honour of Olympic gold medallist and C2 blogger Greg Searle's commitment to training during the holidays. 5,000 metres will take somewhere from 16 to 30 minutes and is a fantastic test of mental and physical endurance not that dissimilar to a festive visit from the in-laws

Entries close (11pm)  
**1ST JANUARY 2013**
