

3 Successful Interventions for Tackling Poor Health & Inactivity in Young People

This event would be of interest to partners involved in physical activity, delivery and commissioning, education, health promotion or policy.

It will provide a unique forum for Public Health and Education professionals to come together to explore innovative examples which use Concept2 Indoor Rowing as the catalyst to engage young people in healthy activity for life.

The event will showcase:

— Sustainability

— Partnership Working

— 3 Very Different Approaches to Similar Problems
